

Ajuni-san

Yes?

Okabe-chan

Yes

Okabe-san

Eh?

Ajuni

Not sure

Continuation
of that
picture.

No kidding! (°_°)

Yeah, it was fun.

f = u
s = u

Uhh... did you have fun today, Mura-mura?

I'm too old for this kind of thing...

Waaaaah!
Hold it, hold it!

Uhh?

There, that should do it!

How did you get this exposed? What would you do if someone took a picture!?

I'm happy
we got to
go to the
festival
with just
us two
today

But I still
want to
stay with
you...

What
is it?

It is
not fine!!
Yuria-san
and I
both have
an early
morning
tomorrow
you know?!

Fine
by
me?

I
can't?
G?

Another road
and another place

I was
thinking
of being
the first
home, but
it's gonna
be a hell
as this
rate...

Well it
should be
fine just
for today

Yuria-sen

Which one are you getting Yuna-san?

Hmm...

After dinner we were standing in line for ice cream—

Ooh, you did dress lightly today. Are you okay with eating ice cream?

It's fine

It's gotten colder since the last place...

Waa! What is this cute creature?

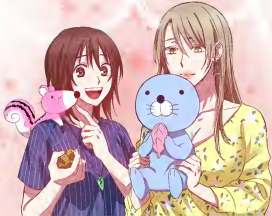

That's good?

Aah... Oshiro-san is so warm—

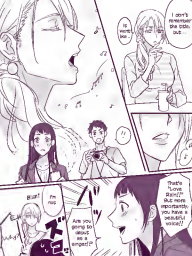

is
worth
it...

I don't
remember
the title,
but...

It

It

What?

I'm
fine

Are you
going to
about
in a
temp?

That's
"Love
Pain!"
But more
importantly,
you have a
beautiful
voice!!

I only learned that song from a person very important to me. Turning it.

I'm not really interested in singing it for anyone but them.

Really? What a waste! You have an amazing voice.

I only turned it a little bit the other day.

Thank you.

o O

That was perfect. No more improvements!

Yuna—can casually called me her important person!!

If this gets picked up by a music group under this, we're totally done for!

HAHAHA

Episode 4

Chadwick is a fan of Nara-Blood

If I appeared in a music video she thought I'd get a lot of exposure
